

Amendment: **10**

**DNR/Forestry Commission/PRT/ General Provision Section 117**

Representative Pltts proposes the following amendment:

Amend

**117.lm (GP: Land Management) The Department of Natural Resources, Forestry Commission and Department of Parks, Recreation and Tourism may not accept additional properties for management, donated or otherwise, until adequate resources have been provided to manage the lands currently owned. This provision shall not apply to properties whose transfer to a state agency was in process prior to July 1, 2017.**
